

Geocaching Contest 2010

Contest Overview:

Throughout the 12 counties which make up the Natural North Florida region, 36 geocaches have been hidden. This is a modern day scavenger hunt that is fun and easy to play. For more information about the geocaching experience, head to www.geocaching.com.

Step 1:

Go to www.VisitNaturalNorthFlorida.com and click on the "Hidden Treasures" link. Numbered yellow dots on the map identify the general location of each cache site, and contest questions about these 36 caches are listed on the site. It will help to print off the questions and take them with you on your adventure throughout the Natural North Florida region.

All of the contest geocaches are listed on this site with a numbered yellow dot  on the map. Most, but not all, of the caches are also listed in more detail on www.geocaching.com under the heading, "Hidden Treasures of Natural North Florida." Our official geocaching profile is "Hidden Treasures of Natural North Florida" and all 24 of the 36 caches begin with this phrase on www.geocaching.com.

Step 2:

Find all geocaches, and then return to the contest page on www.VisitNaturalNorthFlorida.com.

Step 3:

Fill out an on-line entry form on www.VisitNaturalNorthFlorida.com by 5 p.m. September 30, 2010 which includes 36 questions to answer. Each entry with all 36 correct answers will be entered into a random drawing for a chance to win one of First Place Prizes:
