DINING GUIDE

« EAT LOCAL »

Understanding that an incredible meal can transform an ordinary vacation into a fantastic memory-maker to magically change a mundane business trip to a magnificent adventure, VisitGainesville has created this Dining Guide with more than 100 of the area's incredible eateries to tantalize even the most finicky, funky and far-out taste buds.

Whether you are searching for a farm-fresh breakfast, romantic candlelit gourmet dinner or just a great place for pizza, use this handy guide as your culinary road map to Gainesville. It's simple, here's how:

- ✕ Each restaurant is listed alphabetically.
- ✕ Each listing includes the restaurant's specialty cuisine, street address, phone number, hours of operation and a website address, if available.
- ✕ There is a listing by cuisine located on pages 24-25.
- ✕ A handy average/estimated price range key is included in each listing: \$ = less than \$10; \$\$ = less than \$18; \$\$\$ = less than \$25; and \$\$\$\$ is for meals starting at \$25.
- ✕ We also recommend contacting the restaurants in advance, especially for larger groups, to verify hours of operation and to make reservations if necessary.
